Password recovery

From time to time your members (or even account administrators) might forget their password. Wild Apricot provides them with a secure way to reset a forgotten password - as long as they have access to their email (Otherwise they have to ask the account administrator to reset it for them).

Here is how they do it:

Find the login box on Holistic Dental Association website:

 Remember me
Login [Forgot password](#)

Click on **[Forgot password](#)** link, enter your email on the following page:
